# Making an impact

## Welcome to our first Guide of 2026!

I wanted to say a huge thank you for all of your support last year. As you can see by the incredible numbers below we've had our busiest year yet. We have delivered and hosted a record number of public and private events, plus sessions for our own SEND delivery and community groups.

This genuinely makes a huge impact; GCT was imagined by people with learning disabilities and created for everyone, so to see so many of you supporting us and benefiting from the venue, be it enjoying our cafe, experiencing brilliant culture or celebrating together at an event, is heartwarming.

2026 will mark 10 years of GCT (I know, where has the time gone?), so watch out for a host of great events and opportunities to get involved. Before then though, check out some unmissable events in the next couple of months, I hope we see you soon!

**Rob Huggins, CEO**
